

Welcome to the Rite Aid Drug Quiz Show....

....and to our core curriculum.

All sixteen Learning Centers have been newly created or updated by acknowledged experts in the field.

They present accurate, age-appropriate drug abuse prevention information, as well as important "Life Skills" young people need to be successful in today's challenging world.

We invite you to begin by reading the "Directions" page, and then the Learning Centers themselves.

Topics covered include:

- Alcohol
- Conflict Resolution
- Decision-Making
- Depressants
- Feelings
- Gambling
- General Information About Drugs
- Grief
- Hallucinogens
- Marijuana
- Self-Esteem
- Steroids
- Stimulants
- Stress
- Success
- Tobacco
